# PACKING

## Clothing

Campus dress is casual, but must be tasteful and appropriate. Shorts, t-shirts, and jeans are fine. A sweater, sweatshirt, or a jacket will be necessary for cool evenings and some air-conditioned classrooms. Rain gear is almost always needed. Keep in mind that the average temperature in July will be around 82° F (~28° C). You may want to bring your “best” outfit for special occasions (formal dress is not required, but there are dances and other occasions for which students may want to dress up). In any case, the list below will help you plan for your weeks on campus. Some items are certainly optional. Keep in mind – you will have to transport all of your items by yourself, and you will be sharing a small space with a roommate. Be sure to check luggage size and weight requirements for your flights. Plan accordingly!

## Accommodations

Linens – sheets, a pillow, and a blanket – are provided by the dormitory and may be changed weekly at the DeJope Information Desk, although you may prefer to have your own. Most students decide to bring another “heavier” blanket for the air-conditioned rooms. Towels are *not* provided. Laundry is available in the dorm. Laundry is free for students. Each room has a small refrigerator. All rooms also have two small lockable drawers, but students must bring their own padlocks. Please do not bring too much money or anything of great value.

## Cell Phones

If your student has a cellphone, please discuss expected phone behavior with him/her. Badger Precollege will not be held responsible for lost or stolen phones or the minutes/costs that accumulate during the program. It is your responsibility to be aware of any and all international roaming charges associated with using your cell phone. Access to free WIFI will be available on campus for students to use. Phones must remain off or silent during class and all organized activity times.

## Computers

Students are allowed to bring computers and they may be helpful for coursework. Many students have found having a computer helpful during the evening study sessions. If any inappropriate material is found, it will be confiscated for the duration of the program. Badger Precollege will not be held responsible for any lost or stolen computers. Laptops may not be brought to class except with the explicit permission of the instructor. If you have an Ethernet cable, you may bring it for Internet access. There is wireless internet access in Bradley Hall, Leopold Hall and across campus.

## Medication

Students should not pack any over-the-counter (non-prescription) medications, supplements, or first aid items (medication for headaches, upset stomachs, sore throats, bandages, etc.). All of student’s needs will be met by professional staff from University Health Services. Students should pack **any and all** prescription medication they will need to take over the course of the entire camp. **All prescription medication needs to be accompanied with a full label translation.**

## Packing List

Clothes and Linens	Other Basics	Optional
informal class clothes sweater, jacket, sweatshirt swimsuit	water bottle sun block/aloe* backpack	laptop Ethernet cable cell phone/charger

semi-formal outfit shower shoes (flip flops) <b>comfortable shoes</b> <b>sports/active clothes</b> <b>Sleepwear</b> hat/sunglasses <b>towel</b> /wash cloth beach towel <b>umbrella or rain poncho</b>	insect repellent* pocket money alarm clock* notebook* laundry detergent* toiletry articles (soap, shampoo, deodorant, etc.)* medicine (to be given to UHS during check-in)	books camera "dress up day" clothes snacks ( <u>nut free</u> ) <b>AC/DC adapters</b>
--	--	--

Items in **Bold** are essentials.

\* items that can be purchased and used in Madison if needed.

**DO NOT BRING: TVs, video game consoles, anything with an exposed heating element (i.e. coffee pot), microwaves, skateboards, bikes, and roller blades. If staff members encounter any of the above items, they will be confiscated for the duration of the program. The items will then be returned to a parent/guardian during check-out.**

**Packing as Light as Possible**

In order to pack as light as possible we encourage you to limit what you bring to just the essentials. Keep in mind that laundry facilities will be available for use so you only need to pack a week’s worth of clothes that you can wash during camp. Students will also be able to make a trip to the store in the first few days of camp if they need to purchase other supplies. You can bring extra pocket money if you would like to purchase things like sun block, insect repellent, laundry detergent, and toiletry articles in Madison instead of packing them.

Many students also like to purchase and bring home souvenirs. When packing your bag try to leave space for items you would like to bring home with you.

# TRAVELING TO THE PROGRAM

## **VISA**

The University of Wisconsin-Madison and the Student and Exchange Visitor Program (SEVP) have determined that Summer Programs offered by Badger Precollege at the UW-Madison serving precollege students are programs that require a B-1 or B-2 visitor visa for any non-US citizen or non-permanent resident. International student applicants are strongly encouraged to bring their Badger Precollege program admission letter among other supporting documents to their visa interview at the US Embassy. The process of obtaining visa and travel documents is a responsibility of a student applicant. The University of Wisconsin-Madison cannot advise students on visa procedures or eligibility. For more information about the application and required travel documents, either contact our office or visit <https://travel.state.gov/content/visas/en/visit/visitor.html>

## **Point of Entry**

It is recommended that along with your Visa and Passport you bring a printout of your acceptance letter and Badger Precollege letter of support to justify your visit. Your visa does not guarantee entry into the United States. The Customs officer at the port of entry determines the period of authorized stay. For this reason, you must give serious and clear answers to the Customs officer during your interview.

## **Travel Emergencies**

If for any reason your flight is delayed or in case of any other emergency, please contact Badger Precollege at (608) 515-4332. We will work with you to solve the issue.

## **Traveling Money**

It is suggested that you bring some spending money for your time during camp. You should also plan ahead to potentially bring more spending money to cover your expenses while traveling. Think about if you will need to purchase meals or other things while waiting in airports.

## **Program Arrival/Departure**

International students are advised to arrive on Saturday, one day before the program starts, in order to have time to recover from the trip. The first program events that all Badger Precollege students have to participate in starts in the afternoon on the first Sunday of the program. Overall, we will rely on you communicating to us your trip schedule and will do all we can to meet you here safely. If you would like support with transportation to and from your arrival and departure airport or suggestions on transportation options, please contact program staff and we would be happy to work with you.

## Approximate Daily Schedule Badger Summer Scholars

7:30 a.m. - 8:30 a.m.	Breakfast
8:30 a.m. - 9:00 a.m.	Morning Meeting, walk to class
9:00 a.m. - 11:30 a.m.	Class
11:30 a.m. - 12:30 p.m.	Lunch
12:30 p.m. - 3:00 p.m.	Class

6:00 p.m. - 10:00 p.m.	Recreational Activities
10:00 p.m. - 11:00 p.m.	Block Meetings, dorm time, and preparation for bed
11:00 p.m. - 7:30 a.m.	Quiet Hours & Room Checks

The daily schedule is used Monday – Thursday. At Room Check each day, students are expected to be in their own residence hall rooms and ready for bed, but do not necessarily have to go to bed. Staff members do not monitor bedtimes, but students **are** expected to manage their time in order to get an appropriate amount of sleep to be engaged with camp each day. On Friday, there is no evening class session and students have extended activity time for the night. Friday and Saturday room checks are moved to midnight. Saturday and Sunday, students have a range of events scheduled including trips to State Street and the zoo, swimming, and other activities. Students return to class on Sunday at 6:00 p.m. for the evening session.

The class schedule is set and it is critical that students are on time. A start time of 9:00 am means that students should be seated and ready to work **before** 9:00 am. When you arrive on campus you should make a point of finding out how long it will take you to walk to class so you can be sure to arrive on time.

## Housing

Badger Precollege students are housed in a residence hall on campus. Double rooms are the norm, and students will be assigned a roommate. Students have the option to request a roommate after they have been accepted into the program. We will do our best to match students with their requested roommate and/or someone at the same age level. A full (shared) bathroom is located on each floor that is shared with floor-mates. Individual rooms are air-conditioned. The residence halls have multiple common lounge area, some of which are open to all genders. Please inform us of any special needs that may require accommodations. It is important that students keep track of their keys to maintain security in the residence hall. **For security reasons, it is necessary to replace lost keys. A student will be billed \$75 to cover the replacement key. Please don't lose your keys! You will be charged for keys not returned at the end of the program.**

## Meals

All meals during the program are provided for residential students. Students will eat most meals in the cafeteria closest to the residence hall. Alternate arrangements are made on occasion, but students will be notified by the RAs in advance of any changes. Ample choices of food, including vegetarian options, are available at the cafeteria. Students who require a special diet or have dietary restrictions are advised to contact Badger Precollege as soon as possible to determine if special arrangements can be made. UW-Madison is very accommodating, but they need at least two weeks to investigate ingredients and make changes. Please visit: <http://www.housing.wisc.edu/dining/nutrition> for more information. If a student loses their meal card, there will be a charge associated with the replacement and it can be taken care of through housing services.

## Residential Assistants

Each student will be assigned to a Residential Assistant. Traditionally, the RAs are college-aged or young professionals of whom many are former Badger Precollege students. Each RA will be responsible for approximately 12-14 students and will live within their students' section of the residence hall. The RAs are responsible for the residential aspects of camp and will be working closely with the students to create a fun and educational atmosphere at camp. Students should communicate all issues, concerns, and ideas with their RA.

## Recreation

Playing fields, courts and general amenities in Madison give students a great range of recreational opportunities. To take advantage of these facilities, be sure to bring a swimsuit and other small recreational items. Badger Precollege will also have a variety of items students can use during activity periods. Students who play a musical instrument can consider bringing it! There will be time available to practice during activity time.

There are additional activities that may require an out of pocket expense from the student. There will always be alternate activities that do not require an additional fee.

## Pocket Money

Experience has taught us to leave the decision about how much pocket money to bring to campus up to the individual students and their families. Students choose different activities, and the program activity fee for each program covers most of students' expenditures. Some activities, however, are optional and may require a small contribution from students wishing to participate. Students should not initially bring more than **\$200-300 in cash** with them. Using a credit card for purchases is preferable to cash. However, you should contact your credit card company to inform them that you will be using the card in another country and ensure that the card will work in the United States. Free ATMs are available on campus. Some students have found that using a VISA pre-paid card is another good option. **Each student will be responsible for his or her own money. Some special arrangements for delivery of checks or cash may be made with the Program Coordinator.**

The following is a list of activities and their approximate costs (in US dollars) for which pocket money could be used:

- State Street Ice Cream/Dinner/Souvenirs \$10
- Field Trip Souvenirs \$10 - 30
- Weekend Trip \$20-30
- Farmers Market \$10-20
- Monroe Street (ice cream, comic book shop, etc.) \$15-20
- Zoo Trip- Free admission but \$5 for snacks or souvenirs
- Goodman Pool \$3 or \$4
- Union South Bowling \$2.50 for shoes and \$3.95 per person per game

## Religious Observation

Services for most major religions are within walking distance of the campus. Students who want to attend services or need any other accommodations will have the opportunity to make arrangements with the residential staff during the program.

## Transportation

Students walk to class and activities every day in small groups. Some public and private transportation will be provided for special events/field trips. Residential students are not allowed off campus without prior approval from the Program Coordinator.

## Health Services

University Health Services provides health service staff for all Badger Precollege programs. UHS maintains health and treatment records for students, dispenses *all* medication and provides 24/7 care. **If you have an emergency inhaler, epinephrine pen, etc. you will be allowed to keep that on your person at all times.** All students must submit a health form (online, through CampDoc.com) prior to camp to be reviewed by UHS and Badger Precollege staff. Please make us aware of any possible health concerns or of any disabilities so that our staff is prepared for medical situations or is able to make any necessary modifications. **Due to university-wide policies, all medication will be dispensed by UHS staff. Please make sure to bring translations of ALL medications.**

## Dance

There is an all-camp dance on the last Friday evening of camp. Many students choose to dress up for the dance, but it is not mandatory. Students may suggest appropriate songs during the week leading up to the dance. If a student is not interested in dancing, board games and other activities will be brought to the area. Students have the ability to bring their own activities as well to the area.

# STAYING IN TOUCH

### ***E-mail and Phone:***

Outside of class time, students are welcome to use their cell phones and laptops. There are also computer labs available for use and students may use the Badger Precollege phone with a calling card (brought by the student). They will not have a campus e-mail address.

### ***Mail:***

Students (and staff) love mail and care packages! It helps them know that people are thinking of them and is an inexpensive way to send forgotten items. If you do want to send anything to your student, please keep in mind the extra time for international mail or packages. We would suggest sending mail a month to two weeks prior to the program so that it may arrive during the program. Please send all letters and care packages to:

Student Name – Badger Precollege  
21 N. Park Street, 7<sup>th</sup> floor  
Madison, WI 53715

# CONTACT INFORMATION

## Contacting Badger Precollege Program Staff

During programs, our staff members are usually away from their desks, so please allow a few hours for messages to be returned. The best way to reach the Program Director and Program Coordinator is via email (see Program Contact Information). You may also reach staff by phone at the site office phone number (see Program Contact Information). There is voicemail available if the Program Coordinator is out. Messages left between 8:00 a.m. – 5:00 p.m. will be returned within a few hours. Non-emergency questions or concerns may be addressed in email to the Program

Coordinator. Please allow 24 hours for the Program Coordinator to respond. For emergency situations, you may contact the Program Coordinator on his/her personal cell phone. Please see the “Staying in Touch” section for information on contacting your child during the program.

## OPENING AND CLOSING DAYS

### Arrival Day

It is recommended that international students arrive on the Saturday before camp. Most international students will experience jet lag and should plan on needing around 3-4 days to adjust fully. Arriving on Saturday will give students more time to adjust before classes begin on Monday. Students will have a chance to meet with their RA and dinner will be provided on Saturday. If you are planning to arrive on Saturday, please make sure to communicate with the Program Coordinator so that we can make sure to be prepared for your arrival.

### Opening Day - Sunday

If you chose to arrive or check in on Sunday, registration will begin at 12:30 p.m. We will be ready to check you in from 12:30 p.m. through 2:30 p.m. Please make sure to have all medications ready to hand over to UHS. We cannot accommodate early check-ins except with prior arrangements. If you plan to arrive after 2:30 p.m. please contact the Program Coordinator to make accommodations. Below is an example of what an opening day would look like:

12:30 - 2:30 p.m.	Registration
2:00 - 3:00 p.m.	Instructor Meet and Greet
3:00 – 4:00 p.m.	Opening Ceremony
4:00 - 5:00 p.m.	Students attend their first class meeting/parents and guardians depart
5:00 - 6:00 p.m.	Dinner
6:00 - 7:00 p.m.	Camp Orientation
7:00 - 9:00 p.m.	Activities
9:00 - 11:00 p.m.	Commuter students depart/Block meeting and dorm time
11:00 p.m.	Room checks

### Closing Day - Saturday

On the closing day, students will participate in exit interviews and final presentations with their instructors. Parents are invited to attend the exit interviews, but the main communication will be between the student and instructor. The exit interview or presentation is a recap of the student's performance in the course and a review of any portfolio materials. Please note that performance will be discussed during the Exit Interview; however, final transcripts and grades will be sent to students in August. This is important closure for the program; instructors will hand out certificates and students will have a chance to say good-bye to friends.

### Special Travel Arrangements

Special arrangements can be made for students to be picked up at the Dane County Regional Airport or Badger Bus depot. Email the Program Coordinator by June 1<sup>st</sup> to make arrangements. After June 1st, arrangements may not be accommodated due to final schedules, so please plan in advance.

# SAFETY AND SECURITY

## Guidelines

Students are asked to follow certain simple guidelines to help ensure their safety while participating in the Accelerated Learning Program. Common sense behavior regarding safety is a must. Students must also sign a rules contract.

- You are to remain on campus at all times. Campus boundaries are clearly defined during orientation. Approved trips with staff members are the only exception to this rule.
- Always walk in groups of three or more going to and from class, during open campus times, and during any other outings. Depending on the activity or day, students may be required to stay with larger groups.
- You must sign out for **all** activities and during every activity time. Staff must be able to account for student whereabouts at all times. The residential staff will carefully monitor this procedure and students will be held accountable.
- Walk in well-lit areas; avoid shortcuts through dark and isolated areas. Always carry plenty of change, a calling card or cell phone to make a call, if necessary.
- Notify a staff member immediately if you see someone you do not know in the dorm. Do not let people you do not know into the dorm. The only people allowed in the residential areas of the dorm are students and staff of Badger Precollege or the University. University Housing staff will be present in the halls and are identifiable by the University Housing Name tag. If you are having a visitor due to a special occasion, it **must** be approved through the Program Coordinator.
- Notify a staff member immediately if you are approached by a stranger.

## Thefts

Yes, they do happen, even at a small summer program like ours. We cannot overemphasize the fact that students need to be careful with their belongings and be respectful of others. Please keep in mind that you are sharing a room with another person. Treat their belongings with the same respect as you would your own. Badger Precollege is not responsible for any lost or stolen items. We suggest you follow the list below.

- Do not keep large amounts of cash on your person or in your room.
- **Keep your room door locked at all times**, and do not lose your keys. Also, do not prop doors open. Secure your items even when you are gone for only a few minutes.
- Keep accurate descriptions and serial numbers of your property.
- Backpacks, books, coats, and other items have been stolen from libraries, Unions, and other UW facilities. Keep your property with you or lock it up when unattended.

## Room Checks and Lights Out

Wear a watch, and be prompt at lights out and other meeting times. It is your responsibility to know when and where you should be. If you don't know, ask your RA. Residential staff will conduct room checks each night at lights out. At rooms checks, you **must** be ready for bed and inside your room.

# BADGER PRECOLLEGE BEHAVIOR EXPECTATIONS

Please familiarize yourself with the expectations and policies at Badger Precollege before arriving at camp. These rules are designed to maintain a friendly camp atmosphere where students are expected to be safe, include everyone, respect others, challenge themselves, and have fun. You will represent your country so make the best impression you can!

The Badger Precollege honor code is based on an expectation of mutual respect for self, others, and the program.

## General Policies

- Badger Precollege Summer Programs are first and foremost academic programs. Students are expected to commit themselves to serious and honest work during their three weeks at the program. We expect you to attend all classes and academic functions and complete all homework assignments.
- Students are expected to adhere to the daily schedule and be present and on time to required activities.
- Students will shower daily, wear clean clothes, and keep their residence hall rooms and common areas clean. The physical structure of the residence hall, furniture, walls, etc. should be respected.
- Since other groups will be on campus during the summer, Badger Precollege students are expected to act in a mature fashion. Students should be respectful of other classes and faculty at all times.
- Students should read and adhere to the policies concerning appropriate items to bring to Badger Precollege Programs. Students who bring restricted items will have them confiscated and returned on the final day of camp. Laptops, iPods, cell phones, and stereos are permissible at camp. However, if they are found to contain inappropriate content, they will be confiscated for the duration of camp.
- Students are expected to bring concerns to their RA each day during block meetings in order to contribute to the comfort and well-being of all members of the Badger Precollege community.

The following include rules that if violated, may result in dismissal from the program:

- Residential students must obey curfew, stay within the program boundaries at all times, and be in their rooms from lights out until 6:30 a.m.
- Participants in the program will conduct themselves in an appropriate manner and dress appropriately at all times while at meetings, classes, meals, on field trips, or during any other activities, including free time.
- Students of the opposite sex are not allowed in residence halls rooms or hallways. Coed lounges are available.
- Violation of any city, state, or federal law will not be tolerated. The following are not allowed: gambling; possession of tobacco products, drug paraphernalia, fireworks, weapons, explosives, ammunition; sex; harassment of any kind. Destruction of campus or personal property will not be tolerated and any damages will be charged to the student/family.

The program directors may establish additional rules as behavior warrants. These and additional specific camp rules will be addressed with the students the first evening of the program. If an issue should arise with a student not following the camp rules/guidelines, parents/guardians will be notified.

## FORMAL DISCIPLINARY PROCEDURES

1. First time violations of most policies will be handled by the student's residential staff member or teacher as appropriate. Offenses may result in restricted privileges. A written report is filed in the student's records.
2. Residential staff or teachers will refer more serious or repeat offenses to the Program Coordinator for counseling and discipline. Parents may be contacted.
3. The following procedures apply to students who repeatedly violate rules or who are suspected of having committed a major violation as per the Badger Precollege Student Rules Contract:
  - a) The student is notified of the alleged violation and of the date, time, and place of a disciplinary hearing. Student may be removed from program activities.
  - b) The parent is notified by the Program Coordinator of the alleged violation and of the date, time, and place of a disciplinary hearing. The student is not required to contact the parent until after the hearing has taken place. It is the student's choice whether they will call home prior to the hearing.
  - c) The Program Coordinator convenes the Disciplinary Review Board (DRB), which consists of representatives from among Badger Precollege Summer Program staff, and will always include the Program Coordinator, an RA or instructor, and may include the Badger Precollege Director and other summer program staff.
  - d) The student presents their case to the DRB. The student may choose a representative from the program to support their case.

- e) The DRB will discuss the case immediately after the hearing and will notify the student of the decision; the DRB decision is final.
