

Tuition Waiver Requirements-2024

The Award

Wisconsin students attending the University of Wisconsin–Madison Summer Music Clinic in 2024, who are high school juniors and planning to enter college in the fall of 2025, may audition for one of 10 tuition waiver awards to the University of Wisconsin-Madison or University of Wisconsin-Milwaukee. The purpose of these awards is to award and encourage students with outstanding musical achievements in the Wisconsin high school system to bring their talents to the UW-Madison or UW-Milwaukee and enhance the quality of university performing ensembles and studios and to learn from the quality of the Schools of Music at both institutions to help students reach their future goals. Qualified applicants will audition during Summer Music Clinic Senior Session and are informed of final audition results by e-mail following the end of the Clinic. These tuition waivers are awarded starting Fall 2025.

Award recipients and alternates must be Music Majors if attending UW-Madison. All majors and degree programs offered by the Mead Witter School of Music are eligible. Recipients may also complete a music major along with a major in another discipline (a double major). Award recipients must fulfill degree ensemble requirements as part of the Tuition Waiver Award.
