

BADGER *Precollege*

## INTERNATIONAL – VIRTUAL

# EducationUSA Academy Connects

Explore STEAM pathways online with a top-ranked American university

> **Find your future in STEAM**

Study a variety of majors and careers in STEAM (science, technology, engineering, art and math). Examine how your own interests and skills connect to these disciplines.

> **Prepare for success at an American university**

Learn about the college admissions process, financial aid and the international student experience. Build connections with UW–Madison students and staff.

> **Build English language skills**

Develop confidence in English and practice critical thinking, problem-solving and creativity skills through group discussions with peers from around the world.

#1
